Submission of Supporting Materials

Along with the nomination form, please submit a PowerPoint or PDF document covering the following:

- **Company Overview**
- **Business Activities**
  - Overview of products/services and business model
  - Key features of proprietary technologies and competitive advantages
- **Target Markets and Case Studies**
- **Sales Performance**
- **Medium-Term Goals**

Notes:

- Please prepare no more than 10 slides/pages as a summary of the nomination form.
- The materials will be used to supplement the nomination form during evaluation and handled only by those involved in the review.
- Existing materials held by the nominated venture company are acceptable.
