

**Invitation to**

**` China International New Energy Automobile Development Forum`**

Name:

Title:

Organization/Company Name:

Dear \_\_\_\_\_,

With the rise of emerging industries of strategic importance globally and economic re-layout, China's auto industry stands on a new start point and faces the new opportunities and challenges.

Chinese government seizes this opportunity and develops new energy vehicle industry simultaneously with western countries. However, looking from the process of implementation, there are still inevitable problems existing and it is necessary to explore the path of development of new energy automotive in the extensive ways.

`China International New Energy Automobile Development Forum', aiming at promoting the sustainable and steady development of new energy vehicles industry, as well as establishing the international exchange and cooperation platform for the government, industry and research departments, will be hosted in Chongqing, China on April 25-26, 2012.

Given your career achievements and social reputation, entrusted by the forum hosts, we are honored to invite you to attend 'China International New Energy Automobile Development Forum'.

If convenient, please fill in and return the attached reply forms to the forum organizing committee by Jan. 18, 2012. Upon the receipt of the reply forms, a formal invitation letter will be provided with you.

Attached please also see the brief introduction to the forum, we remain at your disposal to answer any queries you may have and looking forward to your kind reply.

Best Regards,

Zhou Weidong
